Ref. No.**STUDENTS SATISFACTION SURVEY**

Date

2021-22

The IQAC expresses satisfaction at the survey conducted among the students. Questions ranged across a spectrum of parameters from curriculum to teaching quality to internal assessment to online classes.

The survey had questions to ascertain the quality of infrastructure, library and sports facilities. Interestingly, in order to ascertain the role of the management, the survey had questions on the accessibility of the Principal as well.

The IQAC notes that

- over 90% students agree that teachers were regular and punctual in class and that the syllabus was covered
- 96% of students feel that the overall learning environment is good.
- 97% of the students feel that the internal evaluation was satisfactory.
- The college website is helpful to 97% students.
- However, 7% students feel that classroom facilities are not good.
- 16% students feel that the washroom facilities are inadequate

Recommendations by the IQAC

- Since 16% of the students are dissatisfied with the washroom facilities, the IQAC recommends **upgrading of the washroom facilities** immediately. Its recommendations are forwarded to the Principal for immediate action.
- Since 7% of the sample feels classrooms should be improved, IQAC recommends the establishment of **ICT enabled classroom** for the Honours courses.
- **Sports facilities** may be improved. Yoga and Bratachari courses can be started.
